Extension cord LOGAN S White 3-WAY 5m Schuko switch

The white extension cord from EDO is a product intended for use in the household. The extension cord allows you to connect devices that are far from the power outlet. The product is equipped with a 5 m power cord and has three type F - Schuko sockets with Child Protection and grounding for safety. The extension cord should not be used in dirty and damp rooms. The version with a switch allows you to cut off the power to all sockets at the same time.
